... In vsem CHRODIS partnerjem

Dejavniki, ki facilitirajo razvoj, implementacijo in vzdržnost nacionalnih načrtov

Vodenje

- Nacionalno/regijsko
- Več različnih deležnikov
- Ravnesje med centralno definiranimi zahtevami in regijsko avtonomijo
- Zagotavljanje virov za implementacijo, spremljanje in evaluacijo

Močno zagovorništvo

- Predstavnikov bolnikov v razvoju in implementaciji načrta

Fleksibilnost

- Učenje iz lastnih izkušenj preko spremljanja in evaluacije in transnacionalna izmenjava izkušenj.

KAKO?

Diabetes: a case study on strengthening health care for people with chronic diseases

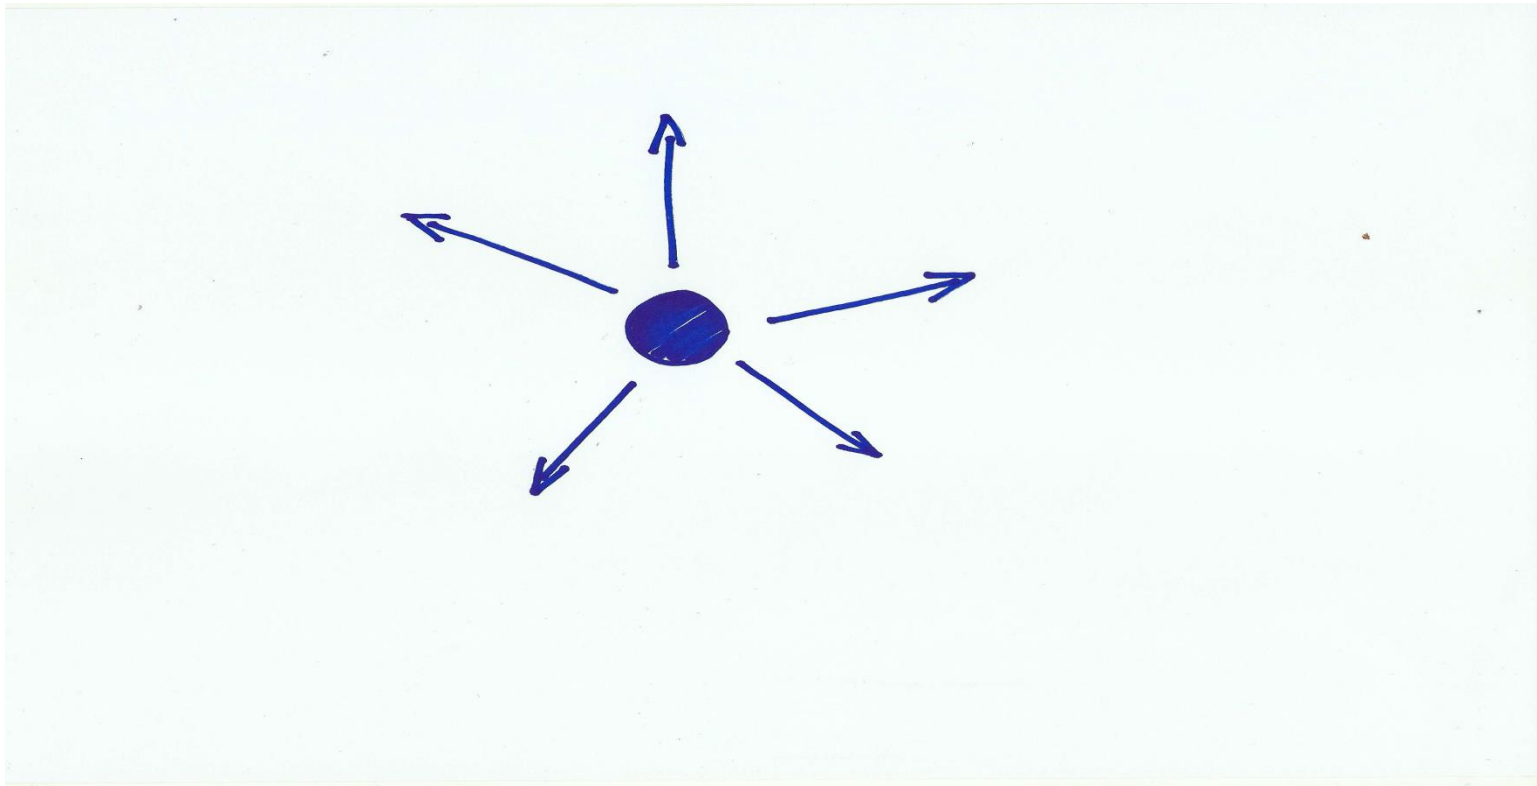

Guide for National Diabetes Plans

Lessons learnt from National Diabetes Plans to support development and implementation of national plans for chronic diseases

Final version
September 15th 2016

Vodenje pomeni...

sprejeti odgovornost
za ustvarjanje pogojev
ki drugim omogočajo,
da dosežajo skupen namen,
v pogojih negotovosti. (Ganz, 2008)

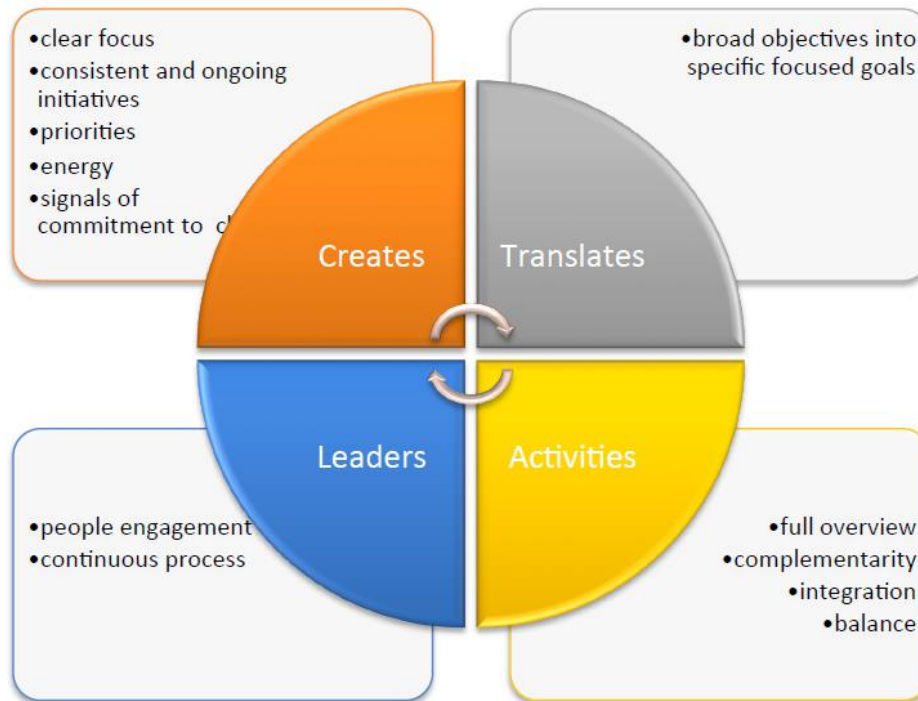

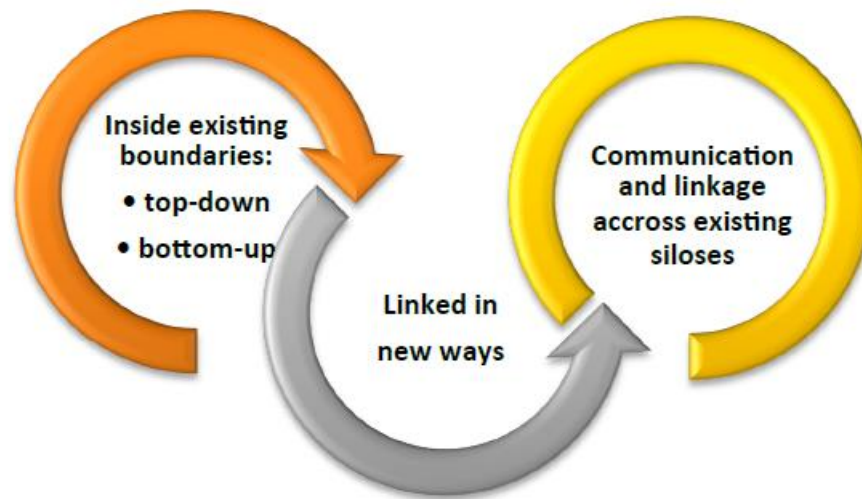

Od zgoraj navzdol

Od spodaj navzgor

Vodenje za vzpostavljanje povezav

Co-funded by
the Health Programme
of the European Union

The Joint Action on Chronic Diseases and Promoting Healthy Ageing across the Life Cycle (JA-CHRODIS)*

* This presentation arises from the Joint Action addressing chronic diseases and healthy ageing across the life cycle (JA-CHRODIS), which has received funding from the European Union, under the framework of the Health Programme (2008-2013).
